Boston, MA | 617-564-0019 | richard@dalton-graham.com | dalton-graham.com | linkedin.com/in/richard-dalton-graham

PROFESSIONAL PROFILE

Business operations professional and former business owner with experience managing day-to-day operations, coordinating complex projects and building practical systems across real estate, life sciences, higher education and government. Combines financial administration, due diligence, stakeholder management and process improvement with experience establishing offices, supporting a research-facility launch and developing a university sponsorship program.

CORE EXPERTISE

Business Operations | Project Planning and Coordination | Process Improvement | Financial Forecasting and Administration | Contracts and Vendor Management | Due Diligence and Decision Support | Stakeholder Relationships | Program and Event Delivery | Staff Training | AI-Assisted Workflow Design

PROFESSIONAL EXPERIENCE

FRESENIUS MEDICAL CARE **Incoming Nov 2026**

Project Manager: IT Leadership Operations & Executive Coordination Lead

Accepted appointment; scheduled to begin November 2, 2026.

BLACKWATER DEVELOPMENT **Oct 2018 - Oct 2026**

Business Operations Manager (Independent Contractor) | Massachusetts

Multimillion-dollar residential development, acquisitions, property operations and financial administration.

- Managed business operations and project coordination for the principal; the engagement with the principal was continuous from October 2018 through October 2026, with the later phase conducted through Blackwater Development LLC.
- Coordinated attorneys, municipal officials, architects, consultants, brokers, contractors and vendors to advance transactions and development work. Resolved routine issues independently and brought decisions requiring the principal or professional advisers forward with supporting information.
- Reconstructed property histories from deeds, chains of title, covenants and historical records. Prepared analyses supporting acquisition strategy, development planning and risk assessment, identifying matters requiring legal or other professional review.
- Prepared business financial forecasts and maintained QuickBooks, invoice and expense records. Administered contracts and leases; approved routine vendor invoices, service decisions and draw requests within pre-approved agreements and budgets.
- Coordinated municipal Planning Board matters from presentation preparation through follow-up. Aligned participants, tracked questions and commitments, and worked with counsel to meet changing filing deadlines.
- Designed and directed an AI-assisted estimate-to-proposal workflow converting field notes into itemized estimates, renderings and defined scopes. Reduced preparation from the better part of a day to under an hour, with personal review of pricing and scope before approved client delivery.
- Identified a subcontractor's lapsed umbrella liability policy during excavation, paused that subcontractor's site entry and obtained an updated certificate within six hours.
- Managed the principal's priorities, calendar, inbox, travel and confidential communications. Owned investor meeting logistics, briefing materials, packet distribution and relationship follow-through.

RICHARD D. GRAHAM, LLC **May 2014 - Aug 2018**

Owner (Sole Member) | Operations and Business Administration | Orlando, FL

Owned and operated a Florida business spanning real estate, solar-system sales and business consulting. Engaged by a Central Florida solar energy contractor.

- Managed the LLC's client agreements, communications, records, vendors, QuickBooks bookkeeping and business administration. Administered its Google Workspace domain, email, shared resources and document systems.
- For the solar contractor, managed bookkeeping and payroll, customer financing applications, finance-company account setup, vendor accounts, supply orders and shipping administration. Prepared installation permit applications, filed construction liens and notarized company documents.
- Trained staff and provided technology support across the client's finance, service and administrative offices. Built and maintained its WordPress website and established online accounts for vendors and government services.
- Reviewed the client's real estate contracts and identified potential commercial relocation sites.

MACY'S **2010 - 2014**

Sales Ambassador, promoted to Administrative Support Team (AST) Associate; seasonal appointments | Natick, MA and Orlando, FL

- Supported store HR and management-office operations in Taleo: candidate and new-hire records, offer and onboarding documentation, interview scheduling, and hiring reports.

GENZYME CORPORATION **Oct 2010 - Feb 2011**

Senior Administrative Assistant (Contract through Randstad) | Cambridge, MA

- Coordinated due diligence meetings, confidentiality-agreement tracking and document flow during the proposed Sanofi acquisition. Prepared briefing books and board materials for the President of Oncology and Multiple Sclerosis and the Senior Vice President of Strategic Development.
- Prepared executive reports and operational data supporting annual goals, planning, budgets and vendor evaluation. Coordinated clinical-affiliation outreach with Harvard, UMass and Boston College; assisted recruiting and mentored incoming administrative staff.

MERCK RESEARCH LABORATORIES **Jan 2006 - Jan 2007**

Executive Assistant (Contract through Kelly Services) | Boston, MA

- Helped establish a new Boston research facility and laboratory while supporting the Senior Director of Molecular Oncology. Coordinated site planning and operations across facilities, IT, AV, security, vendors, scientists and visitors.
- Forecast and tracked site expenses and supplies, supported budgeting and procurement, and served as a resource on operating procedures. Prepared reports, presentations, agendas, minutes and action items; managed calendars, international travel, visas and expense reporting.

COLUMBIA UNIVERSITY, COLUMBIA 250 **Sep 2003 - Sep 2004**

Director of Corporate Sponsorship | Office of Alumni and Development | New York, NY

- Established the corporate sponsorship program for the university's year-long 250th anniversary. Developed fundraising plans and multi-tier sponsorship strategies, cultivated corporate relationships and maintained a pipeline of more than 100 prospects.
- Translated senior planning priorities into sponsorship strategy, prospect research, relationship plans and event coordination. Prepared prospect information for board and staff use and maintained follow-through across institutional stakeholders.

NEW YORK STATE SENATE **May 2002 - Mar 2003**

Director of Public Affairs and Communications | Office of Senator Liz Krueger

- Helped establish the newly elected senator's office. Directed media and public communications, organized public events and represented the senator before community groups, unions and government counterparts. Conducted policy research and directed service and legislative initiatives.

CLINTON CAMPAIGN, U.S. SENATE OFFICE & HILLPAC 1999 - 2002

Deputy Finance Director (final role) | New York and Washington, D.C.

- Progressed through five paid roles across the campaign, Senate office and HillPAC, culminating in Deputy Finance Director. Managed a portfolio of more than 1,000 donor prospects, with responsibility for donor strategy, cultivation, solicitation, stewardship and fundraising execution.
- Led fundraising events from donor development through venue, communications, volunteer, VIP and security coordination. A Young Professionals event raised approximately $74,000; a Hofstra University event featuring President Bill Clinton raised more than $140,000.
- Helped establish constituent-service operations for the new U.S. Senate office, including correspondence workflows and databases. Coordinated with the Senate Sergeant at Arms on IT systems and official mailings.
